  <h2>Jay Skript</h2>
  <p>Jay Skript is going to rock your world!</p>
  <p>Together with his compatriots the Domsters,
Jay is set for world domination. Just you wait and see.</p>
  <p>Jay Skript has been on the scene since the mid 1990s.
His talent hasn't always been recognized or fully appreciated.
In the early days, he was often unfavorably compared to bigger,
similarly named artists. That's all in the past now.</p>

  <h2>The Domsters</h2>
  <p>The Domsters have been around, in one form or another,
for almost as long. It's only in the past few years that the Domsters
have settled down to their current, stable lineup.
Now they're a rock-solid bunch: methodical and dependable.</p>
